

MEMORANDUM OF UNDERSTANDING

Between

Tracy Educators Association

And

Tracy Unified School District

In recognition of the intervention program being implemented at Freiler Elementary School during the 2024-2025 school year, Tracy Educators Association (TEA) and Tracy Unified School District (District), together "the parties", do hereby agree to the following.

1. The parties acknowledge that unit members will receive a period teaching assignment which is trimester specific. For example, Teacher A will teach intervention in trimester 1, elective in trimester 2, and elective in trimester 3.
2. Students will be scheduled into intervention based on level of need. As such, some students will attend every day (Monday thru Friday) while others may only attend certain days of the week. This may result in multiple student rosters for the same period of instruction.
3. For purposes of calculating class overages, all rosters maintained for a specific class period will be taken into consideration. The total number of unduplicated students among all rosters will be considered the class total for overage calculation purposes.

*Example:*

*Teacher A has the following class rosters:*

*Daily Roster (M-F): 20 students*

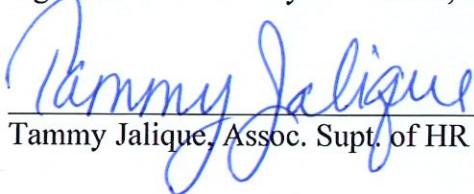

*M/W Roster: 8 students*

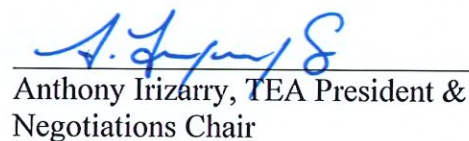

*T/Th Roster: 8 students*

*TOTAL STUDENTS: 36 students for overage calculation purposes*

4. Nothing in this MOU constitutes past practice or precedent.
5. This MOU will expire June 30, 2025, but may be extended by mutual agreement.
6. The parties acknowledge implementation of this MOU is contingent upon ratification by TEA.

Agreed to this 30<sup>th</sup> day of October, 2024.
